(AAICLAS), on ad-hoc basis, for their proposed Domestic and International Cargo Handling services at Thiruvananthapuram International Airport w.e.f. 01.04.2022 till the time regular Tariffs for the current Control Period are approved by the Authority.

Authority's Examination on the request of TIAL:

2. Upon initial scrutiny of the request of the TIAL, the Authority notes that it is required to provide Cargo facilities at Thiruvananthapuram International Airport, as per the clause 19.4 of the Concession Agreement entered into with AAI. TIAL proposes to commence Cargo Handling Services as per schedule indicated in para 1(ii) above. The Authority enquired about the details of Cargo Handling Services proposed at Thiruvananthapuram International Airport and status of regulatory approvals from Bureau of Civil Aviation Security (BCAS) & Customs Department. In response thereto, TIAL vide their email dated 28th February, 2022 intimated that:

- (i) They propose to provide all Cargo Services similar to those provided by AAICLAS at the existing carved out facility at the Thiruvananthapuram International Airport;
- (ii) The Cargo facility will be operated by TIAL as an Airport Operator and has the necessary clearance certificate(s) from the regulatory authorities. However, in order to provide screening at the facility, TIAL will be requiring Regulated Agent (RA) Certification from BCAS and they have already applied for necessary approval from the BCAS; and
- (iii) They are in the process to apply for the "Custodianship" for the International Cargo Operation with Customs Department.

3. The Authority has determined the Cargo Handling charges at Thiruvananthapuram International Airport, Thiruvananthapuram in favour of AAICLAS vide Order No. 42/2020-21 dated 01/09/2020 for the First Control Period effective from 01.10.2020 and valid up to 31.03.2024.

4. The Authority feels that it will take some time before the TIAL submits its MYTP to the Authority in respect of Cargo Handling Services at Thiruvananthapuram International Airport.

5. In the interim, the Authority has decided to allow TIAL to levy the ad-hoc Tariffs, based on the existing approved Tariff at Thiruvananthapuram International Airport (as on 01.04.2022) & applicable to other Cargo Handling Service Provider i.e. AAICLAS, for their proposed Domestic and International (Export) Cargo Handling Services w.e.f. 01.04.2022 till 30.09.2022, or, till the determination of regular Tariff for Cargo Handling Services for the First Control Period, whichever is earlier.

6. Since, Cargo Services with respect to International (Import) has been scheduled by TIAL to start on 01.10.2022, therefore, the Tariff for the same is not included in present Interim Order.

7. TIAL is advised to submit the MYTP well in time, as per the AERA (Terms and Conditions for Determination of Tariff for Airport Operators) Guidelines, 2011, for determination of regular Tariff in respect of Cargo Services for the First Control Period.

8. TIAL shall start Operations only once all the requisite regulatory approvals, including those indicated at (ii) and (iii) of Para 2 above are obtained.

ORDER

Upon careful consideration of the material available on records, the Authority, in the exercise of powers conferred by Section 13(1)(a) of the Airports Economic Regulatory Authority of India Act, 2008 hereby orders that:

- (i) The TRV (Kerala) International Airport Limited (TIAL), is allowed to levy and collect the Tariff for Cargo Services [Domestic and International (Export)] on an ad hoc basis, as approved for the other Cargo Service Provider namely AAICLAS (as on 01.04.2022) vide Authority's Order No. 42/2020-21 dated 01.09.2020, **w.e.f. 01.04.2022 to 30.09.2022** as per Annexure-I, or, till the determination of regular Tariff for the First Control Period, whichever is earlier.
